

And Yet!

As you lay there,  
I loved you so,  
and yet,  
Despair and sorrow filled my heart.

I knew you loved me,  
and yet,  
There was a void,  
A space between us nothing could ever fill.

I wanted acknowledgement, needed encouragement,  
I tried,  
and yet.  
Was such a disappointment.

There was much that could have been said,  
And yet,  
Silence.  
No words were spoken.

Time just ran out.
